Overview

The *Post-Secondary Learning Act* of Alberta gives the Board of Governors authority to “manage and operate the public post-secondary institution in accordance with its mandate,” and to “develop, manage and operate, alone or in co-operation with any person or organization, programs, services and facilities for the economic prosperity of Alberta and for the educational or cultural advancement of the people of Alberta,” (section 60(1)(a) and (b)).

The *Post-Secondary Learning Act* of Alberta gives GFC responsibility, subject to the authority of the Board of Governors, over “rules and regulations respecting academic awards” (section 26(1)(m)). This includes student financial supports that have merit components.

Purpose

To articulate the University’s position on **student financial supports** for the institution.

POLICY

The University of Alberta is committed to providing and optimizing robust student financial supports, in order to ensure that academically qualified **students** can attend the university. These **student financial supports** will align with institutional priorities and values, including those outlined in the institutional strategic plan. The University recognizes that access to affordable education is a shared responsibility between the University, the student, and government. The associated procedures outline how the University will ensure that its responsibilities to all stakeholders, including students, **government**, and **donors**, are met.
