Art Acquisition and Commissioning Procedure

Office of Administrative Responsibility: Museums and Collections Services

Approver: Provost and Vice-President (Academic)

Scope: Compliance with University procedure extends to all members of the University community.

Overview

Since 1912, The University of Alberta has collected outstanding works of art for the purposes of teaching, research, community engagement, enhancement of the University environment and in support of the University’s vision and mission. The University of Alberta Art Collection is a registered collection under the University of Alberta Museums and Collections Policy, and is the sole entity authorized to acquire museum works of art on behalf of the University of Alberta.

Purpose

The purpose of this procedure is:

- To ensure that the University meets its fiduciary, legal, and moral obligations in maintaining a world-class collection of art in the public trust;

- To ensure the University collects and manages works of art appropriately, to avoid duplication of services and to involve the expertise necessary to acquire and care for works of art; and

- To ensure that faculty, staff, students, researchers and agents of the University of Alberta understand the established processes used by Museums and Collections Services to acquire museum works of art on behalf of the University of Alberta.

PROCEDURE

1. ADMINISTRATIVE AUTHORITY

The University of Alberta’s Museums and Collections Services will maintain the administrative responsibility to acquire museum works of art and manage the University of Alberta Art Collection, as authorized by and subject to the University’s Museums and Collections Policy.

2. COMPLIANCE

All works of art acquired by the University, through either donation, bequest, purchase, transfer, exchange, commission, or Master of Fine Arts thesis presentation, are approved by the Executive Director, Museums and Collections Services, or designate, on the recommendation of the University of Alberta Art Acquisition Committee. This approval authority is distinct from the authority for signing contracts related to legal acceptance of works of art. These contracts are signed in accordance with the Contract Review and Signing Authority Policy.

The President or Provost, or designate, may provisionally accept a work of art on the University of Alberta’s behalf in the event that acquisition of that work of art is time-sensitive. Works of art accepted in these circumstances will be
assessed by the Executive Director, Museums and Collections Services, or designate, as soon as possible to ensure compliance and processing within established policy and procedures.

**Units** or individual staff of units that wish to acquire a work of art by any mode of **acquisition** must contact the Curator, University of Alberta Art Collection.

All works of art acquired by the University will be **accessioned** into the University of Alberta Art Collection. To ensure acquisitions are consistent with the University’s goals, works of art will be acquired according to the University of Alberta Art Collection’s **Acquisition Strategy and Management Strategy**.

3. **COMMISSIONS**

a. **Works of Art for University Units**

Sponsor units interested in commissioning works of art will contact Museums and Collections Services to determine the need for a **commission**.

If the need for a commission is confirmed, Museums and Collections Services will work with the sponsor unit to define the type and scope of the commission, strike an Oversight Committee for the commission, develop a call for proposals and develop a project plan and budget.

Oversight Committees will include representation from the Sponsor Unit, Facilities and Operations, External Relations, the Art Acquisition Committee, and others as appropriate to the nature of the commission.

Commission contracts with artists will be administered by Museums and Collections Services, in collaboration with the sponsor unit and any other units involved.

Commission costs, with associated framing and installation costs, will be borne by the appropriate unit or office, in consultation with Museums and Collections Services.

Administration, including the transfer of ownership and copyright to the University of Alberta, and installation of the commission, where appropriate, is the responsibility of Museums and Collections Services.

Once completed, all commissions will be **accessioned** into the University of Alberta Art Collection, which is administered by Museums and Collections Services.

b. **Portraits**

The University of Alberta will commission portraits of its presidents, and will consider commissioning portraits of its chancellors and other significant individuals, in the form of paintings, sculptures or photographs.

The procedure for commissioning portraits is as above section 3.a.
