Scope:	Compliance with this University procedure extends to all Academic Staff and Colleagues and Support Staff as outlined and defined in Recruitment Policy (Appendix A and Appendix B) in addition to third party contractors, visiting speakers, volunteers, professors emeriti, undergraduate students, graduate students, post-doctoral fellows, and visitors to campus.

Overview

The Buildings and Grounds Services Department has the responsibility for the provision of custodial and grounds services intended to maintain and enhance the environment for students, staff, and visitors. In its effort to maintain an aesthetic and functional campus environment, the University of Alberta, while accommodating the announcement of certain University events, messages, or products, requires that campus groups have appropriate approvals prior to displaying messages. Groups or individuals, whether they are members of the university community or visitors to campus, must adhere to consistent posting standards for the various campus locations in which they are posting.

Buildings and Grounds Services is also responsible for the oversight of agreements for advertising in common areas (i.e. washrooms, walkways), and the monitoring and removal of banners, notices, etc. that are posted without approval or outside the appropriate posting guidelines.

Purpose

This procedure and its appendix will identify who can post notices and banners, who to contact for guidelines and approval at various locations/campuses, where the postings may be displayed, what postings/announcements are permissible, how items should be posted, and who to contact with questions.

This procedure and its associated appendix apply to all University campuses, University buildings and grounds on all University properties, with the exception of the following notices/notice boards:

- facilities shutdown notices (Facilities & Operations)
- University of Alberta advertisement signs (Facilities & Operations)
- classroom change signs (Office of the Registrar)
- final exam schedules (Office of the Registrar)
- faculty/departmental notice boards (individual faculties)
- public notice boards in Central Academic Building (Facilities & Operations)
- notice boards in residences (Ancillary Services)

Inquiries should be directed to the Facilities and Operations Maintenance Desk at 780-492-4833.
