Provost's Award for Early Achievement of Excellence in Undergraduate Teaching Procedure

Office of Administrative Responsibility:	University Governance
Approver:	Provost & Vice-President (Academic)
Scope:	Compliance with University policy extends to all members of the University community.

Overview

The Provost's Award for Early Achievement of Excellence in Undergraduate Teaching was instituted at the University of Alberta in 2008.

Purpose

To recognize publicly the achievement of teaching excellence by **full-time continuing** academic staff within five years of their first university appointment, to publicize such excellence to the University and the wider community, to encourage the pursuit of achievement of such excellence among newly appointed academic staff, and to promote informed discussion of teaching and its improvement at the University of Alberta.

PROCEDURE

1. ELIGIBILITY

Any University of Alberta individual who has completed no more than five years of University teaching as a fulltime continuing member of the academic teaching staff (Category A1.1 or A1.6) is eligible. Five years is defined as five full years of teaching exclusive of leaves and duties which constitute absence from teaching. (Note: The University of Alberta Academic Year is counted from July 1 to June 30). Nominees must have been teaching within the last 24 months of the date of nomination. If an eligible individual takes on a new position that places him/her in a different staff category, that individual will remain eligible for nomination for 24 months after his/her reclassification. However, individuals may apply for only one of either this award or the WH Alexander Award in a given year.

See Recruitment Policy (Appendix A) Definition and Categories of Academic Staff and Colleagues. Staff or students of any Faculty that teaches undergraduate students are encouraged to submit nominations to their Department Chair or Dean, as appropriate. The GFC University Teaching Awards Committee (UTAC) suggests that this be done through an appropriate Faculty committee. The resubmission of nominations in subsequent years is welcomed.

Each Faculty may nominate one candidate.

Eligibility issues prior to adjudication of the award by GFC UTAC will be resolved by the Provost and Vice-President (Academic) and the UTAC Chair.

2. NOMINATION

The documentation accompanying a nomination should provide specific supporting information addressing each of the criteria set out below (under the heading “Criteria for the Award”). In particular:

- a. Student assessments are necessary for evaluation of adjudication criteria 3. c, d, e, f, i and j. Student assessments should provide information about the quality of teaching over the range of undergraduate courses taught and should demonstrate the nominee’s teaching compared with other new members of the Department or Faculty
- b. Letters from course alumni are valuable.
- c. **External peer** evaluations must be included with the nomination (see criterion 3.b). A minimum of one is required; however GFC UTAC would prefer that two or three be submitted. Only the Dean, Department Chair or Chair of the Faculty Committee may solicit external evaluations. At least one such evaluation must come from a peer in a related field at another academic institution. Letters to external evaluators must advise such evaluators that their assessments will be confidential and that only the Dean, Department Chair or Chair of the Faculty committee, and the GFC UTAC will be privy to the information provided.
- d. The external peer evaluations should be submitted in the original and must be current; they must not be excerpted or abridged. All documentation submitted to GFC UTAC must be in English. If material has been translated, please include the original document(s) as appendices. (These appendices will not be included in the total page count.)
- e. GFC UTAC feels that assessments by external evaluators are limited only by the amount of teaching-related information submitted to them. Nominators are encouraged, therefore, to compile comprehensive teaching materials for their candidates (eg, course outlines, samples of handouts, examinations, assignments) so that external evaluators have adequate information to assess the nominee.
- f. Letters from colleagues regarding teaching, course materials, range of courses and activities related to teaching, are valuable for evaluation of adjudication criteria 3. a, g, h and j.
- g. A statement of the nominee’s teaching philosophy. When preparing the teaching philosophy, nominees are encouraged to describe not only the ‘what’ and ‘how’ of their teaching, but also the ‘why.’
- h. University Student Ratings of Instruction (USRI) scores for the two most general categories – ‘Overall, the quality of the course content was excellent[.]’ and ‘Overall, this instructor was excellent[.]’ – and an additional category at the discretion of the instructor must be submitted for each course taught in the past five years, if applicable, per the table below [see FORMS]. For those Faculties which might not use USRI scores, a comparable measure is expected to be submitted for the courses taught.

Nomination packages must not include extensive course outlines, bibliographies, examinations, papers, etc. This is an undergraduate teaching award, so detailed information about graduate teaching and research publication is not relevant; however, a very brief curriculum vitae must be included within the 20-page limit. The package must include a brief executive summary prepared by the nominator that outlines (preferably in point form) the key points upon which the nomination is based; this summary is a self-standing document and it is included, as well, within the 20-page limit.

The nomination, including documentation, must not exceed 20 pages. The pages GFC UTAC will consider must be consecutive and numbered 1 through 20 in the bottom right-hand corner; the Early Achievement Award Nominator’s checklist (see link provided under FORMS below) must be included with the nomination as an unnumbered first page. A title page and a table of contents must be submitted as unnumbered pages. Nominations and all supporting documentation must be in a 12-point font. (NOTE: Anything more than 20 pages will be removed prior to distribution to GFC UTAC members. Any page where 2 pages have been reduced to 1 page will be counted as 2 pages.) Back-to-back copying of material is encouraged. The nominee’s name must

appear on the first page of the nomination. Nomination packages must be stapled in the top left-hand corner. Do not use cerlox binding, binders, or report covers.

Supporting documentation submitted to GFC UTAC must be in English. Letters must be signed. Electronic signatures are acceptable. If material has been translated, please include the original document(s) as appendices. (These appendices will not be included in the total page count.)

One hard copy (to the address below) and one electronic copy (via email to paliteam@ualberta.ca) of each nomination package must be submitted. The deadline for receipt of complete nomination packages is 4:00 pm on the last Friday of February. There will be no discretion to extend the deadline. (Note: Individual Faculties may have their own earlier deadlines for teaching award competitions and for deciding upon nominations for the University of Alberta Teaching Excellence Award competition.)

Please submit nominations to GFC UTAC, c/o Office of the Provost, 2-40 South Academic Building (SAB).

GFC UTAC recognizes that nominations from different Faculties might vary considerably and takes this into account during its deliberations. Nominators requiring assistance and advice to prepare their nominations should consult the Office of the Provost and Vice-President (Academic).

4. ADMINISTRATION OF THE AWARD

The GFC University Teaching Award Committee (UTAC) will adjudicate the award.

Each year up to two (2) Provost's Early Achievement Awards will be funded; at least one award will be given annually. In any given year when there is more than one award, they will not normally be made to individuals in the same department. No one individual is to receive a Provost's Early Achievement Award more than once.

Each year, funds for **one** additional award will also be made available to GFC UTAC. The Committee may, at its discretion, choose to grant this additional award as **either**: an additional Rutherford Award for Excellence in Undergraduate Teaching, an additional William Hardy Alexander Award for Excellence in Undergraduate Teaching **or** an additional Provost’s Early Achievement Award for Excellence in Undergraduate Teaching (one award across all three categories). In the event that the Committee chooses not to award these additional funds in a given year, those funds will be carried over one year, at which time the Committee may award the carried over funds in the manner described above.

Recipients of the additional award are subject to the eligibility criteria and nomination requirements for the Award to which the Committee chooses to designate the additional funds (eg. the Rutherford Award for Excellence in Undergraduate Teaching or the William Hardy Alexander Award for Excellence in Undergraduate Teaching or the Provost’s Early Achievement Award for Excellence in Undergraduate Teaching).

Following the GFC UTAC adjudication meeting, the Provost and Vice-President (Academic) shall notify recipients.

Individual award recipients shall be recognized at Celebrate! Teaching.Learning.Research and shall receive an appropriate memento. A permanent plaque recognizing their achievement shall be located in the Rutherford Galleria.
